

We are pleased to take this opportunity to introduce you to North American Chrome & Alloy Inc., a certified woman owned business that specializes in the distribution of industrial pipe, fittings, flanges, valves, sheet and plate in carbon, low temp, stainless, chrome and alloys. In close co-operation with our customers we can also supply fabrication, finning, chemical cleaning and engineering services in conformity with their requirements, including all necessary manufacturing and testing programs.

In today's competitive environment a single source for procurement can create a substantial savings in time and money. Decades of experience are the foundation on which we have developed our proven method.

Our company is centered on service and quality, with a good product at a fair price and on time delivery. We are committed to developing strong, long term business relationships built on firm foundations.

North American Chrome & Alloy will provide you with highly personalized service on all requirements no matter how large or small. With our 24 hour emergency service you can rest assured knowing we are always with you.

Established in 1995 we are proud of our steady growth and new endeavors with the acquisition of a new home office and larger warehouse in 2005.

A list of our customer base includes, but is not limited to: ExxonMobil, ABB Lummus, Marathon, Valero, KTI, Sinclair, On Quest, Howe-Baker, Kellogg Brown & Root, Premcor, and others

Sincerely,

Sherilyn K. Godkin
President
